HYDRONICS
COUNCIL**

Canadian Hydronics Council AWARD OF MERIT NOMINATION FORM

1. CHC AWARD OF MERIT

This award was created in 2012 to recognize individuals who have demonstrated outstanding commitment to the advancement of the hydronics industry in Canada. Their contributions of time, knowledge and expertise have improved the professional profile of the industry through education, training, public relations, technical achievements or the development of codes and standards.

Nominations are open to any industry volunteer who has contributed to the hydronics industry in Canada for at least 10 years.

Geeta Persaud: g.persaud@ciph.com

295 The West Mall, Suite 504, Toronto, ON M9C 4Z4

Tel: (416) 695-0447

Nominations are due no later than February 23, 2024

Nominations: All received nominations will be reviewed by the CHC Nominating Committee which will make a final recommendation for approval by the Canadian Hydronics Council.

Presentation: Award recipients will be announced at the Canadian Hydronics Conference whether they are in attendance or not. Following the conference, a personal presentation may be made at another CHC/CIPH Meeting or industry event. A letter of congratulations will be sent from CHC to the recipient.

The Award: A Plaque is provided for each recipient. The awards will be announced in the Pipeline and on the CHC website and other appropriate forums.
